The annual Northeast Radio Observatory Corporation (NEROC) symposium is an excellent opportunity for the New England radio science community to share their latest research. Presentations on research by graduate students, post-graduate researchers, and established scientists are all welcome. There is a $100 prize for best student presentation or poster.

Please share this invitation with your colleagues in radio science at any institution in the Northeast.

FRIDAY, NOVEMBER 1, 2019

CALL FOR PRESENTATIONS

Presentations are solicited on topics in radio science

To present or attend, please register by OCTOBER 15, 2019 at:
